

Seine River School Division

Values & Beliefs

We lead and model cultures of inclusion and educational justice where systemic barriers to learning are removed.

We believe that fiscal responsibility is essential for sustainable high-quality public education.

Our culture is respectful and collaborative.

We respond to a wide range of evidence to guide our decision making.

Board Priorities

- We support our schools in creating learning environments that promote curiosity, creativity and innovation.
- We demonstrate commitment by engaging with rightsholders, educational partners and voices within and beyond the community.
- Our educational programs reflect the needs of our communities and empower students to reach their individual potential.
- We continually advocate for high-quality public education.

Division Priorities

- We ensure the wellness of the school division, its staff and its students.
- We provide high-quality learning for students through literacy, numeracy, indigenous education, and French immersion programming.
- We improve operational efficiency throughout the division by refining management functions and processes.
- We enhance the development of our employees through capacity building and professional learning opportunities.
